

JDE Finance Support Analyst

Job title, location, salary

JDE Finance Support Analyst. Fowlmere (UK). Competitive compensation package.

The company and the position

Established in 1966, and headquartered near Cambridge (UK). The Welding Alloys Group of companies designs and manufactures a complete range of cored welding wires, automated welding equipment and provides welding solutions worldwide. Our Integra Service Centres for industrial welding applications complements our global reach.

This is a key and challenging role. You will be an active team member supporting JDE EnterpriseOne users within the Group. Your responsibilities will be providing JDE finance support for users around the Globe; troubleshooting issues including data analysis; reviewing business process to ensure accurate modelling on JDE; you will also be involved in implementing JDE finance modules in new sites and training users on the finance modules.

The job holder

The ideal candidate has to have strong understanding on Finance and proven experience of General Ledger at Support level. He/She will have experience of accounts receivable and accounts payable, and experience of fixed assets would be advantageous. The ideal candidate will demonstrate a consolidated application(s) knowledge, combined with a strong analytical behaviour. She/He will be customer orientated, sympathetic to customer needs and experienced in dealing with complex situations. This role requires high organisational and problem solving skills. Ability to lead, manage and support changes to the application software; from analysis through to implementation will be also requested. She/He will have proficiency level of English. This role requires excellent communication skills.

Organisational benefits and facilities

You will be privileged to be a part of a company that is growing, will continue to grow and will become the envy of its sector - through the competence of our people and the truly innovative approach we have to our people, market and products.

Equal opportunities statement

Welding Alloys Group, in accordance with the general intention of its culture, confirms its commitment to a comprehensive policy of Equal Opportunities in employment in which individuals are selected and treated on the basis of their relevant merits and abilities and are given Equal Opportunities within the organisation. The aim of this policy is to ensure that no job applicant or employee should receive less favourable treatment on any grounds not relevant to good employment practice.

It is Welding Alloys' policy as an employer to treat all people equally irrespective of race, ethnic origin, sex, marital or parental status, sexual orientation, creed, disability, age or political belief.
